CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

The Washington State Apprenticeship and Training Council (WSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship and training program in the State of Washington.

Apprenticeship programs and committees function, administer, or relinquish authority only with the consent of the WSATC and only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC. Parties signatory to these Standards declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, Chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, Chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Sponsors shall notify apprentices of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (L&I) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

The following Standards for the development of apprentices have been recommended by the Joint Apprenticeship Training Committee in accordance with the provisions of the Collective Bargaining Agreement, and in cooperation with the Washington State Apprenticeship and Training Council.

Pre-journey level training shall consist of extensive detailed instruction and experience as required to assure adequate training in developing a skilled, competent journey worker.

Individuals selected for this training should possess both a high mechanical and technical aptitude, a natural ability in the use of tools and a willingness to keep abreast in the industry.

Journey level assignments are highly complex and place a high degree of personal responsibility on the individual in making decisions regarding proper working procedures and compliance with all safety regulations.

CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

The Joint Apprenticeship Training Committee, representing the parties of the Collective Bargaining Agreement between the Department of Public Utilities, Water Division, and the International Brotherhood of Electrical Workers, Local union No. 483, is dedicated to the preparation and application of this efficient and detailed journey level training program which will assure the development of experience and reliable workers.

I. GEOGRAPHIC AREA COVERED:

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement (portability agreements – see WAC 296-05-303(3)) with other apprenticeship committees for the use of apprentices by training agents that are working outside their approved geographic area. Also, if a reciprocity agreement (see WAC 296-05-327) is in place, the out-of-state sponsor may use their registered apprentices. The sponsor will ensure compliance with the provisions of any agreement recognized by the WSATC.

CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations. (WAC 296-05-316(3))

A. Selection Procedures:

CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

IV. TERM of APPRENTICESHIP:

The minimum term of apprenticeship must not be less than 2000 hours or 12 months of work experience in each occupation identified in these Standards as apprenticeable. The term of apprenticeship must be stated in hours or months of employment.

Terms of apprenticeship shall be 3000 hours of on the job training earned within a two-year period unless the apprenticeship committee grants or mandates a time extension.

V. INITIAL PROBATIONARY PERIOD:

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship.

Advance credit/standing will not reduce the initial probationary period. The initial probationary period:

- Is the period following the apprentice's acceptance into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.
- Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.

CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

All apprentices employed in accordance with these Standards shall be subject to a probationary period of the first 600 hours of employment.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction. (see WAC 296-05-316(5))

For Tacoma Water, there shall not be more than one (1) apprentice for each two (2) water journey workers employed.

VII. APPRENTICE WAGES and WAGE PROGRESSION:

The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

On approval by the Committee, advancements will be by quarter as shown below:

A. Potable Water Supply and Service Worker:

- 1st step upon acceptance into the program 77.5% of the journey wage rate***
- 2nd step upon completion of 1st quarter of program (6 months) 81.0% of the journey wage rate***
- 3rd step upon completion of 2nd quarter of program (6 months) 82.5% of the journey wage rate***

CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

4th step upon completion of 3rd quarter of program (6 months) 84.0% of the journey wage rate*

5th step upon completion of the program 85% of the journey wage rate.*

***The Journey level wage rate is equivalent to the "Water Service Worker rate at 100%.**

B. Advancement Policy:

The following procedure will be utilized by the Apprenticeship Committee in reviewing apprentices for advancement within the program:

- 1. All apprentices will be considered for advancement.**
- 2. Advancements will be made on the basis of education, monthly log sheets and semi-monthly evaluations from supervisors, Journey workers working with the apprentice; recommendation of craft subcommittee; time in step.**

This procedure will give apprentices who apply themselves a greater opportunity to be advanced in the program.

Advancement will be made only as openings occur in the program. A minimum of six (6) months in each step is required to be eligible for advancement unless waived by the Committee.

The Training Officer will maintain records of all apprentices in the training programs. All school records (test grades, time in step, attendance in school, completion dates of courses and seniority) will be recorded for each apprentice. The Training Officer will complete these data and present the information to the Committee at all meetings called to consider advancements.

It will be the responsibility of the apprentices to turn in their completed monthly log sheets to the Training Officer not later than close of business on the fifth (5th) working day of the following month.

All apprentices are to be rated by the craft subcommittee and will be rated in the step to which they are assigned.

All apprentices shall be certified by a vote of the Joint Apprenticeship Training Committee to have successfully completed the training program before certification of completion is issued.

CITY OF TACOMA - WATER DIVISION APPRENTICESHIP COMMITTEE

The following is a condensed schedule of work experience, which every apprentice shall follow as closely as conditions will permit.

Employers/training agents shall only use registered apprentices to perform the work processes as stated in this section. (WAC 296-05-003 - Definitions)

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

The apprentice must attend related/supplemental instruction. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not to be paid for time so spent, unless otherwise stated in these Standards.

The sponsor/training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

In case of failure on the part of any apprentice to fulfill this obligation, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to L&I on a quarterly basis for verifying attendance and industrial insurance purposes.

Apprentices must achieve a passing grade in each class. If an apprentice should fail a class the apprentice will be given a one-time opportunity to retake that class or an equivalent class specified by the Committee. The Committee will make the final determination as to continuance in the apprenticeship program for an apprentice who fails a particular class more than once. Any apprentice not adhering to these rules will be dropped from the program. Employees who fail to satisfactorily complete a course shall reimburse the Department of Public Utilities for the necessary expenses involved.

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

The sponsor has the following disciplinary procedures that they may impose: Disciplinary Probation, Suspension, or Cancellation.

Disciplinary Probation: A time assessed when the apprentice's progress is not satisfactory. During this time the program sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is completed. During the disciplinary probation, the apprentice has the right to file an appeal of the committee's action with the WSATC (as described in WAC 296-05-009).

Suspension: A suspension is a temporary interruption in progress of an individual's apprenticeship program that may result in the cancellation of the Apprenticeship Agreement.  4. The sponsor has the obligation and responsibility to provide, insofar as possible, continuous employment for all apprentices in the program. The sponsor may arrange to transfer an apprentice from one training agent to another, or to another sponsor when the sponsor is unable to provide reasonably continuous employment, or they are unable to provide apprentices the diversity of experience necessary for training and experience in the various work processes as stated in these Standards. The new sponsor or training agent will assume all the terms and conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.
 5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.
 6. Hear and adjust all complaints of violations of apprenticeship agreements.
 7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. Not require an employer to sign a collective bargaining agreement as a condition of participation.
